THAT'S WHAT EVERYONE'S *Talking About*

Matt & Gretchen Wallace

"...we saw an ad in the Metro for That Furniture Store showing prices that looked like a mistake...a typo! Discounted more than \$2,000, it was a deal we couldn't pass up."

"...we found a deal that couldn't be overlooked at That Furniture Store. We can honestly say, it's been fantastic. The price that we paid was amazing..."

Dale & Robin Carey

Teena Twilley

"I just love to stop in and see what speaks to me... then comes the fun of deciding where to put it. That Furniture Store has become one of my favorite spots to find a treasure."
